DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: a tray adapted to insert into the slot through the front opening, the tray being shaped as an inverted U so as to receive the electronic device by inserting the electronic device through an opening thereof, the tray comprising a snapping surface on either side, one or more snapping members on either snapping surface, and a handle at a front side between the snapping surfaces, the handle being operative to hold for removing the tray from the slot or installing the same therein wherein the one or more snapping members are adapted to allow the tray to insert into the slot by sliding into the one or more recesses on the slot; and an elongated gate comprising a top plate having a pivot shaft at one end, a first clinging member at the other end wherein the pivot shaft is pivotably provided in a pivot hole at a front side of the slot, the pivot shaft of the gate is adapted to pivot about the pivot hole in opening or closing the gate, and the first clinging member is snapped into the latch of the slot when the gate is closed.
